It was here, as they celebrated the Latin Rite, a Basilian hieromonk was assigned to celebrate Mass. The monk had doubts about the real presence of Jesus Christ in the Holy Eucharist. With doubt in his voice, he said the "Words of Consecration" and the bread turned into living flesh, and the wine changed into live blood. The blood coagulated into five globules, corresponding to the wounds Christ suffered in each hand and foot on the cross, and the wound from the centurion's spear. After free time for lunch, we will continue on toward the Adriatic coast to the great Marian shrine of Loreto to visit the Holy House of Nazareth and the beautiful Madonna of Loreto. More than 50 popes have made a pilgrimage to the house transported by angels to this hill in central Italy in 1294. Tradition has it that this is the house in which Mary first prayed the Magnificat, in which Jesus grew to manhood, and in which the Holy Family lived. Enjoy free time for lunch before we make our way to Assisi, the hometown of St. Francis, the patron saint of animals and the environment, and the founder of the Franciscan Order. Contained within the huge 13th-century Basilica are many of the saint's possessions and a series of frescoes depicting his life. You may kneel before the crucifix from which Jesus spoke to St Francis, asking him to rebuild His church. It was in St Mary of the Angels Basilica where St</p>

	<p>Francis spent most of his life. Here we visit the Chapel, Portiuncola, the rose bush, and the cave where the saint retired for prayer. Stroll the medieval streets of the compact little town. <p>DAY 10 September 10</p>	<p>Assisi , Greccio , Santuario di St. Francis , Fiumicino hotel and Farwell dinner.</p> <p>After breakfast we depart to Greccio church of St. Francis.</p> <p>The town is first mentioned as <i>Grece</i> or <i>Grezze</i> in the 11th century, when it had a castle. The castle has now disappeared except for a single tower, which is now the belfry of the church of S. Michele.</p> <p>Greccio was the place where, in December 1223, St. Francis devised the first living <u>crib</u> (in Italian: <i>presepe</i>). The idea was to discourage would-be pilgrims to go to <u>Bethlehem</u>, as it was a risky adventure, the <u>Holy Land</u> being then under the control of the <u>Turks</u>. The tradition continues there to this day, and a memorial of St. Francis, the Santuario di S. Francesco, may be visited.</p> <p>St. Francis, recalling a visit he had made years before to Bethlehem, resolved to create the manger he had seen there. The ideal spot was a cave in nearby Greccio. He would find a baby, hay upon which to lay him, an ox and an ass to stand beside the manger. Word went out to the people of the town. At the appointed time they arrived carrying torches and candles. One of the friars began celebrating Mass while Francis himself gave the sermon. His biographer, Thomas of Celano, recalls that Francis stood before the manger, overwhelmed with love and filled with a wonderful happiness. For Francis, the simple celebration was meant to recall the hardships Jesus suffered even as an infant, a savior who chose to become poor for our sake, a truly human Jesus. Farwell dinner and overnight.</p> <p><i>Celebrate Mass Greccio</i></p>
<p>Day 11 September 11</p>	<p>Fiumicino hotel / Airport</p> <p>After breakfast and Holy Mass. We transfer to airport for our flight back home.</p> <p>Extension to Fatima or India.</p>
